Do you want to hear a secret before your daughter hears it?

Well, here's a fantastic secret that we don't mind letting out of the bag a bit early. Next month, we will be launching a brand new website—redesigned and revamped—to ensure that you have full access to the entire scope of life that happens in our Luralton hallways!

We've created a full-color home page featuring photographs of your daughters, their academic lives and friendships, and images from one corner of this beautiful campus to the next. There are sections highlighting monthly calendar events and up-to-the minute news features on the art, science, humanities, and sports happenings here at Luralton Hall! And not to be outdone by those tech-savvy

teenagers, we've incorporated a section called LH Chatter for tweets.

With this new website, we've electronically opened up our campus—literally! Prospective students and their moms and dads can now schedule a visit, apply for admission online, or spend some time searching through an interactive admissions viewbook!

The website will require a new login process and we'll contact you in mid-August with more detail.

So please be a bit patient...we're putting on the finishing touches. And whatever you do, don't tell your daughter...after all, it's a secret!

# General Information

## Financial Accounts

All financial accounts must be current in order for a student to continue with the registration process. Tuition bills with a July 1 due date have been mailed. Tuition payments for Pay Plans One and Two can be made with cash, bank check, money order, VISA or MasterCard. Credit card charges carry a 3.5 % administrative fee. The ten-pay FACTS program also starts in July. Invoices for Plan Two and the ten-pay FACTS program included a charge in the amount of \$170 for the mandatory tuition insurance administered by A.W. Dewar, Inc. Please call the Business Office at 203-877-2786, ext. 145 if you have questions about tuition.

## Student Schedules

To aid in the purchase of textbooks, this mailing includes your daughter's tentative schedules for the 2012-2013 school year. When ordering textbooks, please refer to the course and course number listed on the schedules. Students will receive finalized schedules on the first day of school.

## Online Textbook Sales

Effective July 23, 2012, online book purchase for the 2012-2013 school year will be available at [www.lauraltonhall.bkstr.com](http://www.lauraltonhall.bkstr.com). Ordering by phone at 1-877-827-2665 is also an option. When purchasing textbooks online at Follett Virtual Bookstore, three prices will be offered for many titles—new book, used book and rental.

Used paperbacks or used workbooks are not permitted. ISBN numbers for paperbacks purchased MUST match the ISBN numbers posted on the [www.efollett.com](http://www.efollett.com) website.

The 2012-2013 booklist is currently posted on the Lauralton Hall website. After July 23, the booklist will no longer be available directly on the school website since publishers may, without notice, cease publishing a title or may substitute new editions for required texts, thus rendering prior editions obsolete. Lauralton Hall assumes no responsibility for such an occurrence. Follett Virtual Bookstore will update the booklist on the Follett website as changes of this nature occur, so those who purchased used or new books elsewhere are encouraged to check the Follett website to ensure that previously purchased books have not become obsolete. Questions about ordering textbooks should be directed to [www.lauraltonhall.bkstr.com](http://www.lauraltonhall.bkstr.com) or 1-877-827-2665.

## Summer Reading Requirements

Information on summer reading requirements was sent home with the year-end report card, e-mailed to incoming freshmen and is posted on the school website. Books can be borrowed from local libraries, purchased at local stores, or purchased online at [www.lauraltonhall.bkstr.com](http://www.lauraltonhall.bkstr.com). The summer reading list is also available at local public libraries.

Summer reading requirements are listed by course, and students are expected to read the required books for each listed course before

returning to school in the fall. A few courses have summer assignments that require the use of 2012-2013 textbooks. In these cases, the textbooks are listed on the summer reading list. To avoid duplication, the 2012-2013 textbooks with summer assignments are not included on the 2012-2013 booklist. In some cases, assignments were given to the students before the end of school; for others the assignments are sent to the students during the summer.

Students should be aware that the ISBN numbers for paperbacks and workbooks must match the ISBN numbers posted on the Follett virtual Bookstore website. Used paperbacks and used workbooks are not permitted.

## Prepaid Meal Card Program

Lauralton Hall offers NB Express Lunch, a prepaid meal card program by Navin Brothers Food Service, Inc. **If your daughter was registered for the program last year, it is not necessary to re-register. Those who wish to register need to access [Paypams.com](http://Paypams.com) any time after August 15, and follow the prompts.** NOTE: On the "Select State" page, after selecting "Connecticut," please also choose "Click here for Navin Bros NB Express program." Paypams.com is an easy to use, secure website where you can register your daughter, deposit funds, and view your daughter's meal history.

Once registered, your daughter will have the opportunity to purchase meals in the school cafeteria using her school ID as a prepaid meal card. Among other benefits, the program ensures that the money allocated for your daughter's meals will not be misplaced or forgotten. There are no additional fees to participate in this program.

Questions? Please contact NB Express Lunch at [nbexpress@navinbros.com](mailto:nbexpress@navinbros.com) or 860.665.0448.

## Online School Calendar

The 2012-2013 school calendar can be accessed by visiting the Lauralton Hall website. Updates to the calendar are reflected as they happen, so please check frequently for the most current information.

## School Directory

Each year the school posts an online student directory which lists name, parents, home address and telephone number for each student. As of August 15, 2012, the 2012-2013 directory will be available on the Lauralton Hall website. Please be assured that this directory is for the exclusive use of Lauralton Hall faculty, students and parents; therefore, you will need to log in to access it. Parents who prefer not to be included in the directory should notify the school office in writing by July 31, 2012.

## Financial Aid

The online financial aid application is available on the school website for families who wish to apply for aid for the 2013-2014 school year. Financial aid will not be given to anyone who has not filed the application by November 15, 2012. The application, along with *The Financial Aid Program Policies and Procedures Manual*, developed to make the program clear, is also posted on the school website.

Each financial aid application will be analyzed and

families will be ranked in order of need.

All families are eligible to apply for financial aid. Please be aware that an application for aid does not guarantee an award. If you have questions about financial aid, please call Kathleen Shine, Director of Enrollment Management, at 203-877-2786, ext. 125.

## Transportation

### School Bus Transportation

Transportation by school bus is provided by the City of Milford for Lauralton Hall students who are residents of Milford and request this service.

**Parents who want their daughters to take the school bus to or from school must call Alexis or Sandra of Durham Bus Company at 203-783-9763 by July 25, 2011.** Bus schedules and routes will be available after August 26 on the Milford Public Schools website, [www.milforded.org](http://www.milforded.org).

### Public Transportation

Applications for Metro-North train tickets at reduced student rates are available in the main office.

### Adult Campus Access Pass/ Campus Security

Access to the Lauralton Hall campus is carefully monitored. All cars must enter campus through the front gate and pass the security guard stationed along the driveway during the school day (between 7:00 a.m. and 3:00 p.m.). The back gate is open on school days from 7:00 a.m. until 8:05 a.m. and from 1:45 p.m. to 2:45 p.m. During these times the traffic is one way and all cars must exit via the back gate.

Adult campus access passes are mandatory for parents and other visitors who drive onto campus during the school day; passes for the 2012-2013 school year will be sent to parents in mid-August. (Two passes will be sent if the mailing label is addressed to two adults; one pass will be sent if the mailing is addressed to one adult.) Families can receive up to two adult campus access passes free of charge; a \$5 fee is charged for each additional pass. If more passes are needed, they will be mailed or given directly to parents who submit a completed campus access pass application form; the passes cannot be given to students. The adult campus access pass application form can be downloaded from the school website or picked up in the main office. The pass must be hung from the rear view mirror of the car.

Cars entering campus during the school day without a valid campus access pass are stopped by the school security guard and photo identification is required, so parents are encouraged to hang the campus access pass from the rear view mirror before the start of the school year.

### Student Drop Off and Pick Up

Students may be dropped off in the morning in the back of the campus near the carousel; there is no drop off in the front. Parents should take care of long conversations, lunch money, permission slips, etc. before reaching the drop off point.

Students may be picked up in the afternoon in the

back by the carousel; there is no pick up in the front. When possible, students should be picked up at 2:30 p.m. rather than 2:20 p.m., allowing time for the parking lot to clear. The circular drive in front of the buildings is reserved for school busses only.

Double parking in the driveways, parking in the fire lane and parking in handicapped, reserved or yellow lined spaces is not allowed. There is no parking at any time in the front circular drive or in front of the gym.

### After-school Hours

The safety and well-being of your daughter is important to us. At least one school administrator or teacher will be in Mercy Hall from 7:00 a.m. to 4:00 p.m. on school days. At 4:00 p.m. all doors will be locked with the expectation that all students have been picked up. In the event of an extended after-school activity, the moderator or coach will remain with the participating students until the activity has ended. (The Athletic Department will make provisions for the swim team due to the late practice schedule.) If an emergency arises and you are unable to pick up your daughter by 4:00 p.m., call the main office (by 3:30 p.m.) and ask to speak with the administrator on duty. Or, you may call your daughter's cell phone any time after 2:20 p.m.)

### Visitor Parking and Sign-in

Parents visiting school during the school day should park in the visitor parking spaces to the left of the athletic center.

To help ensure the safety of students and staff, parent visitors are required to report to the main office immediately upon arrival to sign the visitor log and pick up a visitor badge which must be worn while in the building.

## Class of 2016 Matriculation Ceremony

Incoming freshmen and transfer students, their parents, family and friends are cordially invited to the Class of 2016 Matriculation Ceremony on Tuesday, August 28, 2012, at 7:30 p.m. in the athletic center. The Class of 2016 will be presented by President Antoinette Iadarola to administrators and faculty and welcomed to the school in a formal ceremony that will also celebrate the new academic year.

All members of the Class of 2016 as well as all new transfer students are expected to participate in this ceremony wearing their Luralton uniforms. Administrators and faculty members will wear academic gowns and business casual attire is appropriate for parents and guests. Guests are encouraged to join us, so please extend this invitation to your family and friends. If you have questions or need additional information about the Matriculation Ceremony, please email Jeanie Cedrone at [jpegrone@luraltonhall.org](mailto:jpegrone@luraltonhall.org).

## Asbestos Inspection Report

In compliance with AHERA regulations, Luralton Hall is required to inform parents, teachers and employees of the Asbestos Inspection Report and Management Plan. This report/plan is on file in the school office and is available for review by any parent, teacher or employee during normal business hours of the school—7:30 a.m. to 3:30 p.m. To review this file, a request must be made to the Principal.

## Policy on Administration of Medication at School

As a service to students, the Milford Board of Education and the Department of Health allow the administration of medications in school. By law, the State of Connecticut regulates this service. Medication to be administered or self-administered at school requires completion of the *Authorization for the Administration of Medicine Form* by the physician and the parent/guardian. If a student is to self-administer the medication, she must have written permission from the physician and parent, and she must be assessed by the school nurse as competent to self-administer. All medications to be administered at school are to be delivered to the school nurse by an adult. The medicine container is to be labeled with the student's name and the directions for administration. The pharmacist may be asked for a separate labeled container for school if needed. This applies to all medications, both prescription and over-the-counter. An *Authorization for the Administration of Medicine Form* will be honored for the dates noted on the form, or in the case of daily/emergency medicine, for the current school year. The *Authorization for the Administration of Medicine Form* can be downloaded from the Luralton Hall website.

## October 2012 SAT Registration Information

# From the Athletic Office

### Sports Physicals

Annual current physical examinations are required of students who participate in varsity or junior varsity sports. **For students who wish to participate in a fall sport, a Health Assessment Record Form must be completed and returned to school marked for the Athletic Director on or before August 20, 2012.** A current (within thirteen months of the physical exam) *Health Assessment Record Form* must be on file at school in order for a student to try out for, practice or play a sport at Luralton Hall. According to CIAC regulations, if the form expires during the playing season, a new form is required without lapse or the student will not be able to continue participation. Forms are available in the office of the school nurse and the athletic office, and the form is posted on the school website.

### Interscholastic Sports Permission Forms

Student athletes and their parents are required to complete, sign and submit an *Interscholastic Sports Permission Form* prior to participating in any varsity or junior varsity sport at Luralton Hall. **For students who wish to participate in a fall sport, this form must be completed and returned to school marked for the Athletic Director on or before August 20, 2012.**

The form provides a warning statement that participation involves the potential for injury that is inherent in all sports. Parents provide emergency medical information and, by signing the form, acknowledge acceptance of the rules and regulations set in the *Luralton Hall Athletics Handbook*. The form is available in the athletic office and is posted to the school website.

### Pre-season Conditioning Programs

Please visit the school website for information on the week-long conditioning programs offered in August for soccer, field hockey, volleyball and cross country.

### Tryouts for Fall Sports

Fall sports tryouts begin on Saturday, August 25, 2012. All students, including freshmen, are eligible to try out for all sports. It is strongly recommended that prospective athletes begin conditioning prior to the first practice. Students interested in trying out for a fall sport should look for detailed tryout schedules to be posted in mid-August on the school website. Please remember, a current *Health Assessment Record Form* must be on file at school in order for a student to try out.

# Handbook Highlights

## Book Bag/Backpack Policy

Book bags may be carried in the building during the school day but they cannot be left in the aisle of a classroom or left unattended anywhere in the buildings. Book bags must be modest in size (small enough to fit under a desk; approximately 12" x 12" x 4"), have a strap that fits over one shoulder, and hold only a textbook, notebook, and some necessities. Beach bags, diaper bags, large luggage bags and the like are not permitted. Larger backpacks are to be left in or on top of the locker; they may not be carried around the building.

## Senior/Junior Privileges & Parental Permission Form

**Seniors:** Lauralton Hall acknowledges that seniors should be allowed to test their responsibility and discipline and begin to manage the open campus environment they will experience in college. With parental permission seniors will be awarded the following privileges:

- Seniors who are unassigned at the beginning of the day must arrive at school in time to report to their first scheduled class or scheduled obligation. Students must sign in at the Attendance Office as soon as they arrive at school.
- Seniors who have no further classes or scheduled obligations may leave school after completing their last scheduled class.
- Seniors who are free due to a teacher's absence at the end of their scheduled day may leave school. It is the student's responsibility to get all assignments.

**Juniors:** As upperclassmen, juniors are expected to take on leadership roles in the school and demonstrate higher levels of responsibility. With this increased responsibility comes increased privilege. Therefore, with parental permission, juniors who do not have a class scheduled during the last (4th) period of the day may leave school after third period. Juniors must sign out in the Main Office before leaving the campus.

**Permission Form:** In order for students to be afforded the privileges described above, **parents of seniors and juniors must complete and sign the "Senior/Junior Privilege Permission Form"** and return it to the main office. This form can be found on the school website. Even if parental permission has been granted, senior/junior privileges may be rescinded at any time at the discretion of the Administration.

## Mobile Device Use

Students at Lauralton Hall view technology as a basic element of their environment and a key to effective learning. To provide students with access to the tools they need, students are free to bring their own mobile devices to school for use in the academic setting. These devices consist of laptops, tablets, e-readers, Smartphones, mp3 players and other such devices. The following points were considered to be most important in developing this policy: the educational environment, issues of safety and the importance of interpersonal connections and the sense of community at Lauralton Hall.

- Students must not disrupt the educational environment by placing phone calls during the school day. If it is essential that a student place a brief call, it should never be made in the chapel, any hallway, or the foyer of Mercy Hall.
- For reasons of safety, students may never use a mobile device for texting while walking.
- Texting is not allowed at any time during a class. The use of mobile devices in the classroom for academic purposes is solely at the discretion of the teacher.
- Lauralton Hall is not responsible for the loss or maintenance of any personal mobile device.
- Teachers may confiscate a mobile device if it is visible in a class. A student must see the Dean of Students to have the device returned. Any written violation related to improper use of a mobile device or any confiscation of a mobile device by a teacher results in a detention from the Dean of Students.

## School Uniform

Adherence to uniform standards has been set by the Administration as a major point of emphasis in the 2012-2013 school year. Please review the "Standards of Appearance" section of the *2012-2013 Lauralton Hall Student-Parent Handbook of Expectations* with your daughter to be sure that both you and she fully understand the uniform standards, some of which are repeated below. Although some uniform infractions may have been overlooked in past years, infractions will not be overlooked in 2012-2013. **If necessary, please repair or replace your daughter's uniforms to be sure she is in compliance with the standards. In particular, please pay attention to the length of the uniforms.**

There is an expectation that the uniform be worn modestly with respect to the length of the skirt (no more than four inches from the middle of the knee) and the appropriate buttoning of the blouse or shirt. Uniform jumpers must be clean and neat in appearance and have working zippers. No ripped, cut or torn uniforms may be worn. Sneakers, sneaker type shoes, sandals, slides, beach shoes, flip flops, clogs, slippers and boots are not considered appropriate.

**The Lauralton Hall dress code consists of the following:**

- regulation navy jumper;
- short/long sleeved solid white collared blouse OR
- short/long sleeved (no cap sleeves) solid white polo collared shirt (long sleeved shirt may NOT be worn under this) OR
- long sleeved solid white turtleneck;
- solid white or navy socks (must cover the ankle by at least three inches) or tights;
- navy leggings with white socks (no skin showing);
- FLAT closed-back black, brown, tan or dark navy shoes;
- regulation navy blue fleece with Lauralton Hall logo.

All school uniform and gym uniform items are available for purchase at Dennis Uniforms stores in Orange at 500 Boston Post Road, 203-795-

5457, and in Norwalk at 330 Westport Avenue, 203-750-8731. Additionally, online ordering is available at [www.dennisuniform.com](http://www.dennisuniform.com). The Lauralton Hall ordering code is OR00LH. School uniform and gym uniform items are not sold at Lauralton Hall.

## Attendance Policies

**Class Attendance:** Since class attendance reflects a student's attitude toward school and is a major factor in the successful completion of course work, it is important that students are in school, on time, each and every day. Students with chronic absences are subject to review by the Administration and re-enrollment may be denied. Absence does not excuse a student from tests, quizzes or assignments. Students are held responsible for all work upon their return to school. The school does not assume responsibility for course work covered during unscheduled vacations. Makeup work and tests for that time period are solely at the discretion of individual teachers. Any unaccountable absence from class is considered "unexcused."

**Absence and Extracurricular Activities:** A student must be in school by 8:45 a.m. (for seniors, in time for her first scheduled class) in order to participate in any extracurricular, athletic or academic activity after school on that day.

**Homework after Absence:** Students who are absent should access their homework assignments online through Lauralton Hallways at [www.lauraltonhall.org](http://www.lauraltonhall.org).

**Late Arrival/Tardiness to School:** Students are expected to be in homeroom in a seat before 8:00 a.m. to avoid being marked tardy. Students who arrive at school after homeroom must report to the Attendance Office, present a parental note and sign in. Students who do not sign in receive a detention. Recognizing the particular problems of commuting students, Lauralton Hall excuses four instances of tardiness per quarter. After four warnings for tardiness per quarter and for each tardy thereafter, a student is in violation of the attendance policy. **(See Section VI-A, Disciplinary System-Warning System.)** More than nine tardies per quarter result in further disciplinary action, which may include, but is not limited to, loss of the junior/senior privileges and/or in-school suspension. Persistent tardiness results in more serious consequences. Students who drive to school and abuse the tardy policy with excessive tardies may lose the privilege of driving to school.

**Early Dismissal:** Because Lauralton Hall is responsible for its students during the day, leaving campus without parental written permission is unacceptable. Students who plan to leave early must present a parental note to the Attendance Office twenty-four hours in advance. The parental note must state if a student is driving. Students must sign out in the Main Office prior to leaving early. If a student does not drive herself, a designated adult must also sign the register. Students who leave early for a doctor appointment are required to present a note from the doctor to the Attendance Office the next day indicating the student attended the appointment.
